Boston, Nov. 4, 1865.

A Meeting of

THE BOSTON SOCIAL SCIENCE ASSOCIATION

will be held at Chickering's Hall, No. 246 Washington St., on Thursday Evening, November 9, at half-past 7 o'clock, for the discussion of the subject of

JUVENILE REFORM.

Addresses may be expected from Hon. Judge Wright, Rev. Dr. Blagden, Rev. James Freeman Clarke, and Rev. A. A. Miner.

The topic is one of the deepest importance to every citizen. Hundreds of boys and girls frequenting the streets of our cities and large towns, lacking the comforts of home and the restraining influence of Christian parents, appeal to us. Surrounded by vice and misery, many of them too young to go to school, many of them truants from school, their doom is sealed, unless some friendly hand is stretched out in their behalf.

You are earnestly invited to attend the meeting, and to join the Association.

Respectfully,

GEO. B. EMERSON,
CHAS. F. BARNARD,
GEO. H. SNELLING,
J. H. STEPHENSON,
FREDERIC HINCKLEY,
} COMMITTEE.
